Sign Up Now for Breakfast with Santa

Annual Event Set for Saturday, December 14

Registration is open for this year's Breakfast with Santa event at Tyson Library. The library invites all area children age 10 and younger to join us for a morning filled with Christmas Cheer.

The library will offer donuts, milk, and

coffee for all who attend (our young patrons AND their families). Each child will have a chance to sit with Santa and tell them about their hopes for this Christmas season. And, each child who is signed up by

November 30 will receive a small gift from Tyson Library.

Please call 812-689-5894 to sign your child up for one of the 2 morning time slots.

Tyson Library Transitioning to Online Registrations for All Programming in January

Tyson Library is moving to a fully online registration system for programming and events starting in January. We're thrilled to provide this convenience for our patrons of all ages!

Having used online registration for adult programs for several years, many of our patrons should already be familiar with the sign-up process. The main changes you might notice are different questions on the forms, tailored to the specific program they are registering for. For instance, we will inquire about food allergies for events involving food and beverages.

Adults with questions regarding their registration can reach out to Tali for assistance at tali@tysonlibrary.org.

Parents and caregivers can register their children for upcoming programs by visiting the calendar on our website (www.tysonlibrary.org/events). From the calendar, simply select the program your child is interested in, and you will see an option to "Register" or "Join Waiting List" if applicable.

To the left is what the register option looks like on our new site once you've clicked on your desired program.

Complete every field in the form that appears after you click on Register. Additionally, please fill out a separate form for each child wishing to enroll.

For our monthly and bi-monthly after-school programs, registering your child for just one session will secure their spot for the entire semester. The fall semester runs from September to December, while the spring semester is from January to April.

If you have any questions regarding online registration for your child, please reach out to Aly Wright, our Youth Services Librarian. You can email her at aly@tysonlibrary.org or call her at 812-689-5894.

The staff at Tyson Library are also available to help you register for programs by phone or in person at the checkout desk during your visit.

Only 8 spots left
