

1,000 Books Before Kindergarten

The Tyson library is participating in the “1,000 Books Before Kindergarten” program. If interested simply come in to the library and pick up a log for your child, or print one off our website. As you (or anyone) reads a book to the child, you just have the child color in a circle on the caterpillar, or use stickers if you prefer. Repeating the same book is perfectly fine. When you fill a log bring it back in to the library, your child will receive a prize, a sticker, and a certificate and a library staff member will place your child’s name on our giant caterpillar. After 500 books, your child will receive a book bag, and after 1,000, they will receive a shirt and a free book.

Let’s Read 1,000 Books!!!
